## *"A Mother's Heart" Keepsake*

"A mother is not defined by the number of children you can see, but by the LOVE she holds in her heart." The mother of an angel baby is an extraordinary woman. She has experienced loss like no other can imagine, save other angel baby mothers. With this simple, handmade keepsake, we recognize that EVERY baby holds a special place in a mother's heart. Our Caring for Coy Infant Loss Burial Kits include two of these soft hearts. Mom can tuck one in beside her angel baby, and keep one as a visible reminder of her angel's love.

Materials required for this project include red felt, poly-fill stuffing, white embroidery floss, a quilting needle and a pair of scissors. This project is perfect for all skill levels and ages (assistance recommended for children under 8).

### **Step-By-Step Instructions:**

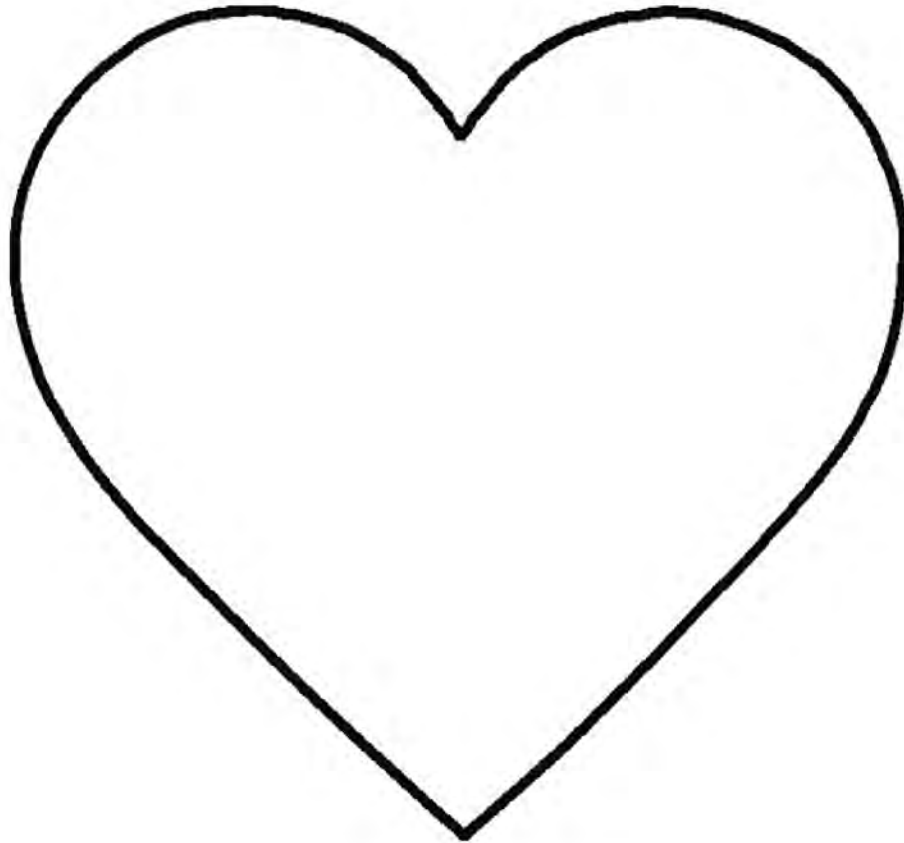

(See Page 2 for pattern.)

1. Using the pattern found on Page 2, cut out two red felt pieces.
2. Stitch heart pieces together with embroidery floss (as shown), leaving 1" gap for stuffing (do not tie off floss).
3. Stuff heart til soft and fluffy (do not overstuff), finish stitching and tie off.
4. Using a safety pin, attach "A Mother's Heart" card to the heart.
