Mommy's Bracelet	7"	(17) 5mm pearl beads • 5mm crystal bead • charm • 5mm crystal bead • (17) 5mm pearl beads	(36) 5mm beads – Neutral pattern; a single, small charm may be added if desired.

Notes:

- If using a larger spacer bead (heart, star, etc.) in place of the charm, decrease the number of pearl beads to allow difference in spacer bead width.
- There are many sizes of beads. Using larger beads on smaller sized bracelets will decrease the wrist opening, so adjustments must be made for appropriate fit. The opposite will occur with smaller beads on larger bracelets. It is recommended that the size indicated be used for proper fit.

How to Tie a Surgical Knot:
