

BASIN CLINIC  
379 N 500 W  
Vernal, UT 84078

January 2, 2020

Dear Patient,

For many years Uintah Basin Healthcare and the Basin Clinic have worked closely together in delivering high quality healthcare to the Vernal and Uintah County areas. Together, it is our desire to further develop our partnership ensuring continued access to high quality healthcare services while laying the foundation for our next phase of growth.

We are pleased to announce that the Basin Medical Clinic, L.L.C. has entered into an agreement to become a part of Uintah Basin Healthcare. As part of the agreement, UBH welcomes Rodney Anderson, MD, Karl Breitenbach, MD, Michael Olsen, MD, and Kirk Woodward, MD, as well as our compassionate nurse practitioners and physician's assistants who work alongside our doctors. Also, roughly 50 of our dedicated staff of Basin Clinic will join Uintah Basin Healthcare's family.

Uintah Basin Healthcare and the Basin Clinic have a strong history of partnering to improve services to the Basin. We have joined forces in the past to lease buildings and gain access to lab and radiology services on-site, building a strong foundation which has led to where we are today. We look forward to a bright future together.

Karl Breitenbach, MD states, "It is such a privilege to care for the families in our practice. I respect Uintah Basin Healthcare's goal of providing high quality affordable care to the people of the Uintah Basin and surrounding areas. I feel this partnership will provide increased opportunities for our patients to obtain the care they deserve."

Official documents were signed on October 3, 2019. The anticipated transition date is January 27, 2020.

As we transition from the Basin Clinic to Uintah Basin Healthcare you will continue to get a statement from Basin Clinic (for office visits previous to January 27, 2020) until all balances are paid off. Starting January 27th, you will start receiving statements from Uintah Basin Healthcare. You will be responsible for paying the balance due on both statements. When making payments, please pay your bill payable to the name and address identified on the bill to help us ensure a seamless transition. To review financing options available at Uintah Basin Healthcare, please feel free to reach out to a Patient Financial Advocate by calling (435)725-2060.

Please be aware that Uintah Basin Healthcare uses a different collection agency than Basin Clinic. Therefore, if you are currently working with a collection agency for your Basin Clinic account, please continue to work with them. If the need arises that you are moved into collection status for Uintah Basin Healthcare, you will be contacted by a different company to set up payments.

“At the end of the day, this agreement will allow the Basin Clinic physicians, nurse practitioners, physician’s assistants and employees to focus on what they do best while we provide the necessary business operations just as we do with our existing clinic practices. We welcome the Basin Clinic group to our UBH family and look forward to continued growth ahead” stated Jim Marshall, President & CEO of Uintah Basin Healthcare.

**The location for the “Basin Clinic” will remain at 379 N 500 W in Vernal. Patients may continue to call the same phone number (435.789.1165) to schedule an appointment. Physician staffing will remain the same. Dr. Anderson, Dr. Olsen and Dr. Woodward will continue with their family practice in the clinic. Dr. Breitenbach will continue with his family practice as well and will also continue with obstetrics in the Vernal area.**

We look forward to serving you together!

Sincerely,

*Your Provider Team at* **BASIN CLINIC**
